Treasury Of Jewish Bedtime Stories (ArtScroll Youth)

Synopsis

These twenty-one stories cover the gamut from gentle humor to profound faith to warm kindness. The heroes range from kings and sages to wise travelers and fantasizing laborers. This is one of those rare books that youngsters will curl up with again and again. Illustrated by Liat Benyamini Ariel.

Age Range: 4 and up

Grade Level: Preschool and up

Customer Reviews

I love reading these stories to my little girl. They are great fun and she enjoys them. I understand the publisher is Orthodox and I am far from a feminist but all the stories are about men and boys. It's the 21st century could it really hurt to include a few female characters.

My kids and I love it! Not every story has a super-clear moral / lesson, but they're for sure entertaining either way. Some of them have wonderful wonderful values too.

My son loves Shmuel Blitz's books. Some stories are still a bit over his head, but he likes the phrasing, language, and of course, the wonderful illustrations. The stories will be his favorites as he grows, and I like the citations provided for the stories as well (so adults can do more learning as well!). This book has more stories and is longer than the Bedtime Book of Jewish Values, which is

another great favorite of my son's (he calls it his "special book").

My grandson likes these stories, so I am glad I got it for him. Personally, I think they are an odd mix.

My little daughter wanted me to invent stories, and a lot of classic fairy tales she already know them because of movies and TV, so I wanted something different. This book was a very good choice because not only they were stories unknown to us, but good for learning about moral, good business practices, and to laugh. My daughter wanted more stories, too bad it's a short book, we wanted more.

The artwork is captivating. My 9-year old loves to go to bed with these stories being read to her.

Great collection - thoroughly enjoyed.

Great stories for the kids
