Living For Jesus When The Party's Over

Synopsis

You soar on a spiritual high at a retreat or fly with emotion at a special meeting. You joyously revel in the presence of your friends at a party. But when the feelings are gone, what will keep you going? Can you really keep a relationship with Jesus that is vibrant even in the boring times? Faith based on fact will do it! God's Word will give you strength for a steady walk when the emotions are gone. This book does more than entertain -- it's practical. GREG SPECK (Bethel College) is a Youth Specialist with Reign Ministries. He is an exceptional communicator who speaks at national conferences, camps, churches, retreats, and spiritual emphasis weeks across the world. Greg is the author of Living for Jesus When the Party's Over, Living for Jesus Beyond the Spiritual High and Sex: It's Worth Waiting For. He and his wife, Bonnie, are the parents of four children. --This text refers to an alternate Paperback edition.

I met Greg Speck at a youth retreat in Ocala, Fl. He had come all of the way from Chicago to speak with us, and was very funny, but more than that, he seemed to know the answers to everything. He

addressed almost every single one of my many questions without me asking them. At the end of the weekend, he announced that he had brought some copies of his books. I bought "Living For Jesus When the Party's Over." This book is so interesting and full of information that I couldn't stop reading it. Mr. Speck discusses such topics as Bible study, how to share your faith, fasting and praying, and he does so in such an easy to understand, witty way that you can be sure to feel changed after reading this book. I loved and highly recommend it, and I can't wait until I save up enough money to buy his other book. This is a great book to read, especially if you're a teenager trying to build your relationship with Jesus Christ.

This book was a great book. It was a book that kept me going. It touched me in so many ways and if u don't believe in christ and wanna no more about him read this book. this was like the first book i ever read from cover to cover. If you don't the saten is real you better believe it cause he is here to stay. there is a part in this book where greg encounters a life event with saten and god speaks to him and it talks about a church in illinois. it is a great book overall. It also talks about Peer pressure, Sex, and how you should use ur body through god, why you should read the bibal and many more things but i will leave it to u to buy so you can find out more.
