DK Eyewitness Travel Guide: Philadelphia & The Pennsylvania Dutch Country

Synopsis

DK Eyewitness Travel Guide: Philadelphia & the Pennsylvania Dutch Country is your in-depth guide to the very best of Philadelphia and the Pennsylvania Dutch Country. Discover the best of Philadelphia, from the Old City (known as "America's most historic square mile") encompassing Independence Hall and the iconic Liberty Bell to the Pennsylvania Academy of the Fine Arts. Venture outside the city to the Pennsylvania Dutch Country for a horse-drawn buggy ride, tiny road-side bakeries, and a true taste of the Amish lifestyle. Discover DK Eyewitness Travel Guide: Philadelphia & the Pennsylvania Dutch Country.

- Detailed itineraries and "don't-miss" destination highlights at a glance.
- Illustrated cutaway 3-D drawings of important sights.
- Floor plans and guided visitor information for major museums.
- Free, color pull-out map (print edition) marked with sights, a selected sight and street index, public transit map, practical information on getting around, and a distance chart for measuring walking distances.
- Guided walking tours, local drink and dining specialties to try, things to do, and places to eat, drink, and shop by area.
- Area maps marked with sights and restaurants.
- Detailed city maps include street finder index for easy navigation.
- Insights into history and culture to help you understand the stories behind the sights.
- Suggested day-trips and itineraries to explore beyond the city.
- Hotel and restaurant listings highlight DK Choice special recommendations. With hundreds of full-color photographs, hand-drawn illustrations, and custom maps that illuminate every page, DK Eyewitness Travel Guide: Philadelphia & the Pennsylvania Dutch Country truly shows you this region as no one else can.

My husband, adult daughter, and I spent three days in Philadelphia this summer and primarily used this guide while there. The guide series I normally use did not have a current one for this city (last one published was 12 years ago), so I tried this out. Overall, I liked the guide and found it very helpful. I used this as a starting place and then cross-referenced recommendations with TripAdvisor for current reviews as well as pictures of hotels and restaurants. The recommendations given by this guide for lodging and restaurants were largely spot-on. I ended up being quite pleased with our hotel (actually exceeded my expectations) and many meals we had while there. My only complaint is wishing it had been more directive about the cheesesteak restaurants. There were three mentioned without any real recommendation. Only later in our trip did we find out that the one we selected was very geared toward tourists and one of the other three favored by the locals. That

distinction would have been helpful as we would have made a different choice. The maps are good with both a large, fold-out map of the entire city along with more detailed maps embedded throughout showing specific areas and neighborhoods. Where I found this guide to not be as good as the one we normally use was when it came to sightseeing spots. It's a very inclusive list of all the things to see and do in the city but relies primarily on providing a description of the sight. It doesn't give you any idea of what you can actually do there or how much time you should allot for being there. For example: The Barnes Foundation. Good, concise explanation of what it is and its history, but no helpful hints about how long it would typically take to go through it, no mention of good eateries near by, advice on people needing any type of assistance, etc. I am not sure I would have known how much it was lacking in this area had I not had exposure to a guide that did all those things. That one typically tells you what to skip, what kids might enjoy, places closeby to eat, etc. which I find to be very helpful. Bottom line: I prefer my regular guide series to this one. This book provided a lot of good information as a starting-off point, but I had to work a lot harder and do more online research to get information that I needed to make the trip go smoothly. A good resource, but not a fabulous one.

Decent book for planning your trip. The maps were pretty good. If you are going to the historic district, like we did, you can probably pass on picking this up though since everything is within a couple of blocks. The kids had fun reading through it ahead of time and it is a good guide if you are seeing a lot of the city.

It is essentially a list of things to do in Philly with some added descriptions of those locations. No additional information. No suggestions, No ratings. It is okay for finding what is in an area of the city, but I would not buy again.

Great book for quick view of what to see in Philadelphia and area.

These are nice books

I love DK Eyewitness Travel Guides and this one for Philadelphia lived up to my expectations

Great help for planning our trip & prioritizing the sights in Philly. Highly recommend it.

Good resource for Philly tourists
