Macroeconomics (6th Edition)

Synopsis

For one-semester courses in Principles of Macroeconomics. **The Relevance of Economics Through Real-world Business Examples** Macroeconomics with MyEconLab makes economics relevant by demonstrating how real businesses use economics to make decisions every day. And with an ever changing U.S. and world economy, the Sixth Edition has been updated with the latest developments using new real-world business and policy examples. Regardless of their future career path—opening an art studio, trading on Wall Street, or bartending at the local pub—readers will benefit from understanding the economic forces behind their work. **Also Available with MyEconLab** This title is available with MyEconLab—an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts. **NOTE:** You are purchasing a standalone product; MyEconLab does not come packaged with this content. If you would like to purchase both the physical text and MyEconLab search for: **0134435044 / 9780134435046 Macroeconomics Plus MyEconLab with Pearson eText (1-semester access) -- Access Card Package** Package consists of: **0134106229 / 9780134106229 Macroeconomics** **0134125959 / 9780134125954 MyEconLab with Pearson eText -- Access Card -- for Macroeconomics**

Glenn Hubbard, policymaker, professor, and researcher. R. Glenn Hubbard is the dean and Russell

L. Carson Professor of Finance and Economics in the Graduate School of Business at Columbia University and professor of economics in Columbia's Faculty of Arts and Sciences. He is also a research associate of the National Bureau of Economic Research and a director of Automatic Data Processing, Black Rock Closed-End Funds, and MetLife. He received his Ph.D. in economics from Harvard University in 1983. From 2001 to 2003, he served as chairman of the White House Council of Economic Advisers and chairman of the OECD Economic Policy Committee, and from 1991 to 1993, he was deputy assistant secretary of the U.S. Treasury Department. He currently serves as co-chair of the nonpartisan Committee on Capital Markets Regulation.

Hubbard's fields of specialization are public economics, financial markets and institutions, corporate finance, macroeconomics, industrial organization, and public policy. He is the author of more than 100 articles in leading journals, including American Economic Review, Brookings Papers on Economic Activity, Journal of Finance, Journal of Financial Economics, Journal of Money, Credit, and Banking, Journal of Political Economy, Journal of Public Economics, Quarterly Journal of Economics, RAND Journal of Economics, and Review of Economics and Statistics. His research has been supported by grants from the National Science Foundation, the National Bureau of Economic Research, and numerous private foundations.
 Tony O'Brien, award-winning professor and researcher. Anthony Patrick O'Brien is a professor of economics at Lehigh University. He received his Ph.D. from the University of California, Berkeley, in 1987. He has taught principles of economics for more than 20 years, in both large sections and small honors classes. He received the Lehigh University Award for Distinguished Teaching. He was formerly the director of the Diamond Center for Economic Education and was named a Dana Foundation Faculty Fellow and Lehigh Class of 1961 Professor of Economics. He has been a visiting professor at the University of California, Santa Barbara, and the Graduate School of Industrial Administration at Carnegie Mellon University. O'Brien's research has dealt with issues such as the evolution of the U.S. automobile industry, the sources of U.S. economic competitiveness, the development of U.S. trade policy, the causes of the Great Depression, and the causes of black-white income differences. His research has been published in leading journals, including American Economic Review, Quarterly Journal of Economics, Journal of Money, Credit, and Banking, Industrial Relations, Journal of Economic History, and Explorations in Economic History. His research has been supported by grants from government agencies and private foundations.

love it

Arrived quickly and as expected. Good case.

The book's back was completely detached upon arrival, and while the book is still readable the spine and the back are heavily ripped up. Though, it still technically read, this doesn't really qualify as acceptable... Perhaps poor quality would be a better descriptor.

Great book, great shape

Detailed information and great supporting examples.

Just to let you know that the book came in with the corner a little dented.

Required text

The book arrived damaged; the back cover of the book was ripped off the binding
