Torah Studies

Synopsis

A Torah discourse of the Lubavitcher Rebbe usually revolves around a question, sometimes seemingly microscopic tension serving as a point of departure for the Rebbe's discussion. To hear or read such a discussion is to embark on a journey in which we are challenged and forced to move, and at the end stand far from where we began. Here, Rabbi Jonathan Sacks, Chief Rabbi of Great Britain, serves as guide to that journey, elucidating the question in each discourse and explaining its context. In this collection of lucid adaptations of the Rebbe's talks on the weekly Torah readings and Jewish holidays, each question is not only resolved but also revealed to be the starting point of a major spiritual search, a journey to the inner sanctum of Torah. With descriptive introductions to each chapter and extensive indexes, Torah Studies is an important gateway to the Rebbe's teaching and legacy.

Customer Reviews

The teachings of the Lubavitcher Rebbe have for decades been among the most profound and influential in contemporary Judaic thought. In their profundity and wisdom, these essays extend themselves to study to anyone who cares about the religious or spiritual life." -- (PW staff)
"Publishers Weekly"

Text: English (translation) Original Language: Yiddish

The day I got this book, I opened it up to a random page and the first sentence that my eyes

focused on was "The Messiah = Moses + 1". I was absolutely stunned. Now that I've started reading the book from the beginning, I can't wait to get back to that page again. As other reviewers have alluded to, the book doesn't explain everything comprehensively beyond any shadow of a doubt, but it does give one a challenging insight into the rich world of Judaic exegesis. I found that if I persevered with the parts that I didn't immediately understand, I nevertheless eventually reached a piece of wisdom I could readily comprehend despite my beginner level of knowledge in matters of Jewish religion and its literature. I especially appreciated the breakdown on page 24 under the heading The Preservation Of Perfection. If you're reading this review, then this book is for you.

If you are interested in Torah and understanding more, this is a great resource to enrich your Torah studies. Everyone should read this!

Excellent...the explanation of the Rebbe with Jonathan Sacks. It cannot get better than this

Wonderful insights.

Excellent, Lord Jonathan Sacks has done it again.

Still reading

These are amazing insights from the Lubavitcher Rebbe. They take you deeper into the meaning of Torah. It is a companion for any Jewish home

Great out-of-print book. Not clear why it is out-of-print. Previously I would only hear these discourses in shirum for Rabbi's reading and translating the Yiddush. Its great to have the whole thing in English so I can review, study, and share the Rebbe's wisdom with others.
