A Filthy Business [Kindle In Motion]

Synopsis

Good intentions: they'll bite you every time. A lifetime ago, brutally efficient fixer Phil Kubiak coldly cleaned up the messes of shady clients from Miami to Las Vegas by any means necessary—short of murder. Now he's one eye and one working leg short of the man he used to be, scarred beyond recognition, and with the feds and criminal organizations in hot pursuit. Throwing back sour beer in a dingy bar, Phil recounts the long story of his bitter life to the only person left to listen . . . Across the splintery table, a journalist in pursuit of a career-making interview has driven into the bowels of the desert, seeking not only an award-winning profile but also something more . . . something darker. Will what she sees in Phil's empty gaze spur her toward forgiveness—or vengeance?

Customer Reviews

I'm very disappointed in this book. I paid for it's release and was so bored I could not wait for it to end. If it were included in my eBooks for free, I would have deleted it. I only read it because I paid

good money (too much) for this novel. It's got a twisted plot and an element of suspense, but this is not the William Lashner reading I love and am used to.

Many twists and turns, could not put the book down and didn't want it to end!!

An interesting story but I lost interest and started skimming. Charters slightly formulaic and plot not overly compelling. Maybe just not my cup of tea

Really enjoyed this book. Reminds me a bit of Elmore Leonard but with smarter characters. Even the illustrations we're fun.

Couldn't put this one down. Loved the graphics, moving pictures and stills which all contributed to the telling of this story.

I rarely write reviews but this book totally blew me away. Many times when reading a book you tend to pick up where the author is going with the story. This story continued to amaze me with its twists and turns. If you are looking for something a little different from your typical mystery/thriller novel this one might be one you will enjoy.

I enjoyed Mr. Lashner's book, as I have enjoyed all of them! The Kindle in motion thing was fascinating. Kind of a cross between a book and a movie. Very fun! It pulled me out of the story a bit, as it was a little hypnotizing.

Great story. A nice departure from the Philadelphia lawyer character. I found it very entertaining. Lashner is one of the great finds on prime.
