Clark The Shark

Synopsis

Clark the Shark is a great read-aloud picture book, with fun rhythm and rhyme, from the ever-popular Bruce Hale and Guy Francis. Clark is a shark with zing, bang, and BOOM. Clark zooms into school, crashes through the classroom, and is rowdy at recess. Clark loves life—but when his enthusiasm is too much for his friends, Clark's teacher, Mrs. Inkydink, helps him figure out a way to tone it down. Clark the Shark celebrates boisterous enthusiasm—and knowing when it's time for indoor voices!

“Clark loves everything about his life at Theodore Roosterfish Elementary, but his supersize enthusiasm is hard for the other fish to handle... The full-color artwork in a cartoon style is pleasant and fun.” (School Library Journal)

My son had one good visit to the dentist, followed by a terrible one 6 months later. I don't know what happened, but I was determined to fix the problem for the next visit. I ordered this book a few months before our next scheduled visit. We read the book a few times, and right before our appointment. I also would occasionally mention being good at the dentist gets you a prize, etc. We even brought the book in the car on the way to the office. Long story short, we had an even more successful visit than the first! Thanks, Clark the Shark, for helping us get back on track with dentist visits!

Excellent book for 1st-2nd grade!

Fun books.

Kind of fun spin on a traditional story, a quick read for an adult or older student. Not the greatest literature but far from the worst I've read for kids this age (2-3)

Absolutely love this story! I even dressed up as Clark when I presented the lessons to my Kindergarten class. They loved it too!

This was a great Clark the shark book. We bought this for our toddler to prepare her for her first trip to the dentist. She loved the story and had no problems with the dentist. She was hoping her dentist was little like dr. Pia

Clark the Shark plush toy arrived promptly and exactly as described. He is well made and sits up on his own. With his red cap and striped shirt he is exactly like his character in the books by Bruce Hale.

My son loves Clark the Shark and he absolutely LOVES this book... He loves to pick out several books at night to read before bed and this book is always one of them. He is four and can read the entire book to me (on his own) with no problem, so it is definitely a great 'I Can Read' book. Get this one, you will not be disappointed!
