Mean Girl: (A Disturbing Psychological Thriller)

Synopsis

Corby Mackentile is a fifteen-year-old girl who attends a private school. She has been bullied because of her weight since she was twelve, especially by the most popular girls. Her parents—her mother is a TV anchor and her father is a Buddhist who owns a butcher shop—are too busy with their own problems to pay attention to their only daughter. Corby has a crush on one of the most popular boys in school. He makes fun of her once, but then unexpectedly apologizes. From that moment, her situation with three of the popular girls becomes worse. Then, one day, one of the girls who had bullied Corby comes to the butcher shop where Corby works for her father after school. Again, the girl teases Corby about her weight, but this time everything is different.

Customer Reviews

I absolutely love salnikovas writing, I was intrigued with plot at first but the writing fizzled a bit half way through the book and then back up again at the conclusion. To each there own opinion I've read better books

I literally couldn't put this book down. Really got my blood boiling. Highly recommend.

Not finished with the book yet.....but so far it is pretty good and is keeping my interest!!!

This book is kind of an odd thing...The writing is not really strong, but the plot and characters are interesting.
