This style of transliteration is a little different than what I am used to, but this is still a great Haggadah. I look forward to using it!

Happy with purchase. Buy with confidence. A+ seller!

Very nicely translated. I enjoyed the Seder while reading from this Haggadah.

It is exactly what I needed and I am delighted to find it. Thank you.

This hagaddah was too difficult to read as each page was too "busy". This might be better for one who has no knowledge of a seder.

Nothing fancy to say about this Haggadah... It's a haggadah - no fancy artwork and no special features other than the transliteration. It was a good deal for its price and served us well on Passover dinner.

B"HGreat for beginners, non Jewish friends participating and Baal Teshuva. IE people that could use a little Hebrew help.Clearly written and easy to understand. We purchased about a dozen and will G*d willing have many happy Pesach seders using them.

A wonderful addition to my library. Very easy and clear to read and absorb the meanings intended. I look forward to re reading this many times.
