ASIN: B00CC845IQ

Product Dimensions: 0.5 x 9.5 x 13.5 inches

Shipping Weight: 1.2 pounds

Average Customer Review: 3.1 out of 5 stars 2 customer reviews

Best Sellers Rank: #11,852,973 in Books (See Top 100 in Books) #29 in [Books > Teens > Art, Music & Photography > Music > Classical](#) #594 in [Books > Teens > Art, Music & Photography > Music > Biographies](#) #7828 in [Books > Teens > Biographies](#)

Customer Reviews

Educational

I was very disappointed when I received this book. Seems to be for small children and yet there is nudity all over in it. I would not recommend this book to people without going through and black marking all the naked ladies and flying fairies if you plan on reading it to your kids. Just horrible to open a book with your kids sitting there waiting to be read to and bam in your face nude drawings. A little warning from the sellers would have been nice!!! The contents of the book were completely overshadowed for me by the nudity I can't remember anything about Beethoven from this book.

This book was a fantastic look at Beethoven's life, beginning to end. I read it to my 3YO. While it was a little long for her, the very cartoony pictures held her attention. As another reviewer mentioned, yes, there are pictures of statues and angels partially nude. For my 3YO, a simple, "Yes, that's a boobie," was enough for her to get over it. The book included several words I had to explain (wages, tutor, aristocracy) and several parts just went over her head, such as the political mood of the time, but this would be great info for an older child. The book has a recurring theme of fate and a prelude page titled "What Is Fate?". Though much of this was over her head, she enjoyed the

many specific anecdotes and bits of actual letters he had written. It was a great resource that detailed the important parts of his life, with a thought provoking ending. It's written in a story-telling way with whimsical drawings, similar to Tomie dePaola's style. Appropriate for young students as a read aloud / discussion book, or for older kids to learn about Beethoven's life and times.
