The Rhodesian Command Dakota: Memoirs Of Rhodesia's Secret War

Synopsis

Towards the end of the Rhodesian war the frequency of cross-border operations increased dramatically. This book describes some of them and the men who planned and commanded these forays into Zambia, Mozambique and Angola.

Customer Reviews

Poorly written and researched book. Constant reference to subjects that would make another book shows very shallow research by the author.

Good book, well written with good detail. Enjoyed reading this, gives a good picture of an often unappreciated vital aspect of operations

Excellent first person account of the inner works of a Rhodesian Air Force FLying Command Post...a quick read but worth it. 100% enjoyable. Well done!

not a bad read
