Kase-san And An Apron

Synopsis

A critically-acclaimed yuri manga series! Yamada may be shy and rather clumsy, but the flower gardens at her school have always brought her happiness. Suddenly, a different sort of beauty catches her eye—the vivacious track star, Kase-san. Although the two girls don't seem to have much in common, they soon start a romance where each must learn an important lesson in tending their budding relationship. Can the two girls, so different from each other, learn how to make their first love blossom?

Customer Reviews

“As first love stories go, this is definitely one of my favorites.

It's a strong candidate for this year's Top Ten. I hope we'll see more of Takashima Hiromi's art in the future.” --Erica Friedman, Okazu

Hiromi Takashima is a yuri manga creator best known for her Kase-san series of books.
