Sibling Rivalry 2. Second Chances3. Sweet Nothings4. Snowflake BrideBook One: When Bethany and Levinia Miller discover a handsome Englischer barely conscious on the bank of Willow Creek, rivalry comes out in its ugliest form as they argue over who will get to care for him. Despite knowing their father would never approve of their actions, they decide to stow away the Englischer in the loft above their barn. While they compete for his attention, it becomes evident that the Englischer has a few secrets of his own. While Nate recovers, he finds himself getting lost in the care of these two young Amish women, leaving him wondering if he might want to stay. But when another woman shows up looking for him, things become more complicated than any of them could have possibly anticipated.BOOK 2 Amish Brides of Willow Creek series Miriam has been run out of the community by the Bishop after she lied in order to force Nate to marry her. Now she is unwed and shunned. A woman-scorned, Miriam commits terrible acts of revenge against the woman Nate marries and her sister. Now she has made enemies of Bethany and Levinia, as well as the entire community. When Miriam finds herself in need of help, she finds she has no other choice but to return to the very community she was run out of. Will she be able to humble herself for the sake of getting help? Will she find forgiveness and love from a community where none is deserved, or will she have to endure the consequences of her sins? BOOK THREE:Bethany has led a spoiled life, thanks to her older sister, Levinia, who always did everything for her while raising her. Being a domestic failure, Bethany decides it's time she learned those skills so she can find a husband. With the help of the Widow Yoder, Bethany talks her father into re-opening her mother's bakery that has sat vacant since her passing. She quickly finds out that baking is not as easy as it looks. Regretting his decision to let his daughter run the bakery, her father enlists the help of Benjamin, Miriam's older brother, to teach Bethany the skills she needs to make a success of the business. Insulted by her father's lack of confidence in her, and feeling threatened by Benjamin's perfection when it comes to baking, Bethany sets out to sabotage him, hoping her father will fire him. Will her new skills as a baker enable her to get the husband she has her eye on, or will Benjamin sabotage her efforts?Book Four: Snowflake Bride:What could be worse for Libby, a young Amish woman, than falling on the ice and losing her memory? Waking up in the hospital thinking she's an Englischer! When Jonas Graber, her betrothed, whom she had left a week before over a silly misunderstanding, learns of her accident, he sees her memory loss as a chance to win her heart again. Will he be able to convince her that they were in love and headed for marriage, or will she lose interest in skating and in him when another man comes along?

Customer Reviews

Jillian Samantha Bayarr is one of my top favorite authors of Amish romances. This boxed set didn't disappoint me, which was not a surprise, as all the books I've read by her so far, have been fantastic. This set takes in the live of Lavinia mad her sister and the men who end up to be their husbands. In book two we have Miriam and Rays story, Ray being an Englisher. Ending up this set is Bethany's best friend Libby and Jonas story. I can't say that one book was that much better than another. All four were easy in their own story, fantastic! This set is so worth reading and I highly recommend reading it. If you are a fan of Amish romances and or Samantha Jillian Bayarr, then you will thoroughly enjoy this boxed set as I did! I'm off to read more books by her.

Samantha has done a wonderful job with a great collection of stories. I enjoyed following the characters in each book. Keep up the good work.

Enjoyed this series. Good, clean Christian stories. After some struggles, Levinia, Miriam, Bethany & Libby all find the love of their lives.

Great stories I loved every word, highly recommend this boxed set if you enjoy reading about The Amish and their heritage and faith and the love they have for family and community! Honestly recommended!

I would recommend it to anyone who likes to read. The Amish life style is so fascinating to read about.

I love books that show christian beliefs in a good story line.

Just could not get into this one. Didn't even get a forth of the way through the first book because it was just not believable and just not interesting. I might go back and skip the first book to see if the other three are any better but only if I have nothing better to read.

It was a pleasure reading this book. It kept my interest throughout.
