Till Death Do Us Part

Synopsis

Nothing in April Lancaster's future seems certain as she battles a brain tumor that doctors say is inoperable. The hospital is the last place she would expect to find love - until she meets Mark Gianni. Mark is handsome and charming, and he also has terminal Cystic Fibrosis. Despite initial reservations, the two quickly fall in love and plan to spend the rest of their lives together...no matter how long that may be. When a sudden accident aggravates Mark's condition, April must make a decision that will change the course of her life forever. This is a heartbreaking story by bestselling author Lurlene McDaniel that is perfect for fans of The Fault in Our Stars.
