I love this book. It's so colorful and pretty. I open up to a random day and use that as my daily focus/meditation/writing prompt. so convenient!

This is a beautiful book, and will be a good one to keep beside the nightstand! I only eliminated one star because at times the passages can be choppy.

A delightful book from Ms. Hay with inspiring thoughts and beautiful artwork. I love that I can either read it straight through, a few pages/ideas at a time, or simply open to any page to get the 'message' I need to hear at that day and time. Highly recommended for those with self-esteem, body-image, low motivation, or self-worth challenges.

This is a pretty book. Its colorful and type is very nice. This book isn't meant to sit down and read though whole book. It's inspiring and I will be looking at the authors other books as well. This is a perfect gift for anyone. I recommend it to all those who need uplifting.

GREAT BOOK. GREAT SERVICE.

My son has social anxiety, panic attacks, & depression and he is really liking this book. He reads it daily, and I can feel the change for him. Sooo grateful. Something that all of us need is to feel good about who we are and to be grateful every day. Love, love, love this book.

I purchased this wonderful book for myself and for a dear friend of mine who considers Louise Hay her mentor! We both LOVE the wonderful ideas Louise shares throughout this book on so many areas of life that all of us can relate to. It's a big thank you to Louise!

Excellent Product!
