Battlefront II: Inferno Squad (Star Wars)

Synopsis

The Rebellion may have heroes like Jyn Erso and Luke Skywalker. But the Empire has Inferno Squad. After the humiliating theft of the Death Star plans and the resulting destruction of the battle station, the Empire is on the defensive. In response to this stunning defeat, the Imperial Navy has authorized the formation of an elite team of soldiers, known as Inferno Squad. Their mission: infiltrate and eliminate the remnants of Saw Gerrera's Partisans. Following the death of their leader, the Partisans have carried on his extremist legacy, determined to thwart the Empire - no matter what the cost. Now, Inferno Squad must prove their status as the best of the best and take down the Partisans from within. But as the danger intensifies and the threat of discovery grows, how far will Inferno Squad go to ensure the safety of the Empire?

Customer Reviews

Golden did a great job of introducing us to the Inferno Squad and their leader. This was certainly one of the better books of the new canon, and it is well worth the read. It gets me even more excited for Battlefront II.

This book is great for Star Wars fans but I wouldn't recommend this as a book for everyone. As a Star Wars fan I really enjoyed it but because I was a Star Wars fan I enjoyed it.

This book did not wow me at all, but it did hold my attention and helped explain where some characters went after the Clone Wars.

Very good read good pacing; the characters are interesting as are the assignments Inferno Squadron takes on. I enjoyed this far more than I thought I would also delighted Christie Golden is writing books for the new canon.

An amazing look into what is in store for Battlefront 2. This was a quick and easy read.

Great set up for the game.

Great prelude to the game, can't wait to play it.

Good read. Different to see things from the Empire's side.
