Customer Reviews

TISH RABE and BONNIE WORTH have each written 12 Cat in the Hat Learning Library books along with countless other books for young people. Among the many books illustrated by ARISTIDES RUIZ are all the Cat in the Hat Learning Library books. JOE MATHIEU has likewise illustrated countless children's books.

They are well written. Slightly seems a page is missing or two with the flow of the story from an adult

perspective. But, my kids love these books. Great addition to the kids library.

We have found that these are great books to teach toddlers about the world around them through humor. Our kid asks for a new one every week.

Was a gift, wonderful gift for friend with grandchildren.

My son loves these books!

These books are very educational, they provide just enough information per book that my kids can grasp. My kids are 3 and 5 and choose these books about twice a week for their bedtime story.

Love these.

Grand kids loved it.

Great and quick transaction!!!
