Edition Skylight is a fine art publisher of outstanding photography books. Dyanna Lauren is an erotic dancer, actress, and director. She was inducted into the Adult Video News Hall of Fame in 2008.

She was the Penthouse Pet of the Month in July 1995.

This Special Edition of Penthouse leaves something to be desired as there is nothing special about the glamor photography featured in this edition, and rather than leaving one taken away by the beauty of the models, it leaves one wondering what's the big deal. Less than satisfactory but good enough to pacify.

I was hoping this would have been a collection of all of the playmates but it is not. While I still enjoy the book and most imagery (I'm not sure why some images look as if the publisher scanned in the actual magazine) I am dissatisfied in what was supposed to be a "collectors special edition".

What a joke. The title and description would clearly lead the buyer to believe this was a retrospective of the beautiful women of Penthouse from the last 45 years. In fact as other reviewers have stated it really only covers the last ten years or so. I was looking forward to seeing some of the amazing Penthouse Pets from the 70's, 80's, and 90's but alas it was not to be. Worse yet there are multiple pages of the same silicon enhanced girls so the number of models is small indeed. Photo quality is more in the 10-15 dollar range and not anywhere near the \$35 paid or the \$50 retail cost. Save your money or just subscribe to the magazine instead. Then you will at least have something to look forward to for the next twelve months.

March 14, 2017 Another excellent addition For My Project With My Family And Ketrina. Thanks, Rollin Ressegieu

Very disappointing. The cover says "hottest girls since 1969", but the book presents almost only pictorials from the 2000's and just a few from the 1990's. The Penthouse 45th celebration completely forgot the glamorous pictorials from 1970's and 1980's, which, in my opinion, were the best Penthouse years. A completely disappointing book.

+++ Great Item - GREAT Shipping - GREAT Seller - Thanks!! +++

This is a very poor history of penthouse magazine for a 45th Anniversary book. What little old photos that was used they are not clear scans and all new pictures & I do mean very new are all the air brushed junk they use in today's magazines. So do not expect to see a real history of girls from

45 years of penthouse it could of been so much better.

If you like over 318 pages of the best of the selected beautiful nudes from Penthouse through the years, this book is well worth it with its print in heavy-stock paper.
