Customer Reviews

For Harry Potter fans who claim to know the first four magical adventures inside and out, this little quiz book will put boasters to the test. Clive Gifford has compiled a book of 1200 questions for the studious Hermiones of the world, 300 for each of the first four Harry Potter books, all divided into easy, medium, and hard categories. Fortunately, the answers are supplied in the back! "What color is unicorn blood?" sits in the "easy" category. Too easy? "Which team scored 170 points in Harry's first Quidditch match?" Still too easy? "What toy did Hagrid pack with his pet dragon to keep it company?" Kids will have a great time trying to stump each other or even, as the book suggests, devising a game with a point system and a "chief quiz wizard." Cries of glee and disappointment and outrage and delight are virtually guaranteed. (Ages 8 and older) --Karin Snelson
