The Freedom Project: Travel - Travel Hacking Simplified. The Secrets To Traveling The World And Flying For Free (Volume 1)

Synopsis

Do you dream of traveling the world, and flying for free? The Freedom Project shows a new approach to travel as a lifestyle. Travel has countless benefits to all areas of life, and they are available to everyone. This book is the liberating blueprint for finding freedom and happiness in your traveling life. The Freedom Project explains, for the first time, the secrets of travel Wilko has used to explore the world, and fly for free: How to escape, and deal with what gets in the way of getting away. How to plan for travel, turning your dreams into goals, and plans into action. How to book travel and claim what's yours. How to prepare to leave, and find the purpose of being packed and ready to go. How to go to where you want to be, bridging the distance while still feeling connected. How to be at the destination, and live your traveling life feeling more alive. How to come home and take some of your traveling "self" to who you are at home.

Customer Reviews

WILKO VAN DE KAMP is an award-winning photographer and photographic artist, author and professional world traveler. His inspiration comes from traveling all over the world. He calls the Canadian Rocky Mountains his "home", and the rest of the world his "office". He has been capturing our wonderful planet, and its beautiful inhabitants, for more than half his life. Through his art, writing and appearances as a keynote speaker he enjoys sharing his colorful experiences with the world.

Excellent resource for anyone who loves to travel!!
