This had me and my 5 year old son laughing. We have read several of this authors books and my kids love them all. The author definitely captures the nature of children! Great job!!

My three year old absolutely loves this book and asked me for more!!!! Money well spent!!! Off to get more birdy books!!

Great for the parents, I'm not sure the kids will understand, but it's worth a try. Made me chuckle, though. ã ã ã^ã%.

Such a fun and interactive book. Read it over and over to a five year old who adores it. Me too!

I am six years old, and I love this book. It was a great story. And my name is KAEDEN.

We love sammy

My daughter loves this book. She thinks it's hysterical and can relate the little bird as I say this to her a lot.

Very cute way to teach kids basic rules and respect. It's easy for them to relate to the stories and understand the moral
