## Synopsis

Everything She Wanted. . .Rebecca Salcedo had an easy smile, a sexy body, and strong appetites--she wanted the world. Bruce Cleland, she decided, would buy it for her. The shy engineer quickly fell victim to her charms, getting her whatever she wanted. A new car. A boat. A house. But he wasn't Rebecca's only admirer. . . She Got. . .Even after Rebecca manipulated Bruce into marrying her, hoping to divorce him and take him for everything he had, she occupied herself with a series of lovers. Male strippers, women. . . they all spent time in Rebecca's bed. But when she learned that a divorce would only get her a few pennies, she knew she had to find another way to secure Bruce's fortune. Even Murder. . .Enlisting two family members as killers-for-hire, Rebecca set in motion her solution to the problem. While she watched, the first bullet hit Bruce in the face. Three more would follow. But while Rebecca kept the blood off her hands, she could not conceal evidence that led straight to her, culminating in a trial that would shock a community. With 16 pages of shocking photos Ronald E. Bowers was a 40-year Senior Prosecutor for the Los Angeles County DA's Office, where he participated in countless high profile murder trials. He has authored two books employed throughout the country for training prosecutors how to improve jury presentations by using visual aids. His extensive legal experience combined with graphics communication expertise has made him a popular guest lecturer here and in Japan. A graduate of the USC Law School, he resides in southern California.

## Customer Reviews

rendering of a twisted and convoluted life, lives rather; the unmitigated greed of this woman and her cohorts is mind boggling. The only doubt I have is whether she got what she deserved, then again the hope she no doubt held towards her second trial and subsequent conviction, provides a little satisfaction, but not nearly enough. I prefer more background information on individuals in a true crime telling, this narrative lacked in that regard.

Great drama!!! By the end of it you really hate "Becky". Highly recommend this one. Being from LA, I drove by the murder site at around the same time and same day of the week. Chilling.....

Easy read. Would recommend for true crime readers. Wish his family had lived to see justice.

Captivating story from start to finish. A very typical tale of greed but told in way that makes a reader look at the whole story from all angles. The twist at the end is shocking and had me on the edge of my seat reading as fast as I could to find out how it all ends.

The first 200 pages were good.The rest was just about the boring trial and the other women that committed simular crimes.Also the authors yet again plugged their previous books.Not a total waste of money but fool me once shame on you.Also I don't know if it was the author's fault or if I am getting jaded but I did not feellike I knew the victim and could not find more than the normal sympathy for a man being murdered in cold blood.

A true really tragic story of an innocent good hearted brilliant man,taken in by the most selfish mean hearted woman imaginable. A woman who used this mans love in the cruelest possible way.And that was not enough she had him killed for his money.But justice prevailed.

The book was interesting but Bower's lectures were better

Fast paced. Keep me reading. All the facts were compelling and easy to follow. I recommend Honeymoon With A Killer.
