A great read! The book also has wonderful photos, art work, and insight to the making of this epic movie. And Tom Hiddleston is so delightful to see as Captain James Conrad. Sorry, can't resist. LOL! Definitely one of my most fave movies in Spring 2017.

Not a lot of design work or effort into this. Ok for the price.

Enjoyed learning some of artistic thought processes. Beautiful artwork...for monster lovers.

Great product and fast delivery. 100% Satisfied.

Beautiful artwork and fantastic photos. Kong (the character) is a work of art

Cool book.

Like Pacific Rim: Man, Machines and Monsters and Godzilla: The Art of Destruction, the Legendary monster films are on a roll when it comes to their art books. The movies themselves are pretty awesome, too. You definitely get your money's worth with this book. The artwork is crisp and fantastic to look at. From the designs of Kong and the other Skull Island creatures to the Iwi, this is a beautiful book to look at. If you were a fan of the movie or kaiju movies in general, this book is well worth picking up.

great like the movie
