Satan's Advice To Young Lawyers

Synopsis

The perfect gift for lawyers and law students! "There is no denying it, Satan has the legal landscape dialed." -- Gabriel "Impressive book." -- John Milton "See? This is exactly what I was talking about." -- William Blake It is not every day that the Prince of Darkness himself writes a book. Satan's Advice to Young Lawyers is a pithy guide to rising from lowly first-year associate to renowned leader of the legal community. Inside the pages of this remarkable book, Satan offers his profound counsel on topics as diverse as choosing evil as a path to power, the billable hour, how to steal clients from your law firm, fashion, and more. Do not let your competition have these secrets for themselves. Get the book now. This profound guidebook makes a great gift for your favorite law student, bar exam taker, bar exam passer or new lawyer.

Customer Reviews

Aleister Lovecraft never started life with a goal of meeting Satan. But, once he became a lawyer, it seemed like a natural desire. Fortunately, the meeting was fruitful and this book was the result. These days, Aleister Lovecraft enjoys suing people, spending his money on fine wine, and flying around the country on his private jet. He is married to a trophy wife.

Satan affirmed my faith. I'm eager to graduate law school this month & start my own practice. Unsurprisingly, Satan's generous advice is well written & flawlessly delivered. Thanks to this book, I have little doubt that I'll soon have my own minions to command.

I bought this for my budding attorney. She loved the books I ordered for her, this being among

them. She was happy to have additional resources to further her career. And she loves the dark side. Worked!

Poorly written. Bought it as a "joke" for someone considering taking law courses.

Gave it to my law school classmates as a gift and everyone was cracking up! Great, quick, funny read!

The best part of the book is contained in the blurbs. Extremely short - a 15 minute read, with a few clever quotes but no real substance. The author makes his point by marketing something of little value by misdirection and innuendo with the result - he has made some fast cash.

Good advice with a dark, sarcastic twist. This focuses mainly on basic building blocks of practice. Excellent reading during bar prep.

Recommended reading before you apply to law school, if you don't like this book don't go.

works good very funny
