Customer Reviews

Not very sexy. Mostly a will-they-won't-they cheat on their fiancÃfÂ©, plus a bizarre side story about abuse and preventing abuse. It's unusually well written for erotica but contains hardly any actual erotic content.

Did not read yet.

Not really explicit or any sex some are just plain stories. I took it off my kindle.

Great book hope to catch more of her stories and her characters are so well defined in this book!
Hope others will enjoy it too!
