Customer Reviews

Used by some in the 50s and I just had to get it since it contains so many familiar Christmas Carols and many are favorites like Carol of the Bells, O Holy Night, the First Noel, Hark the Herald Angels Sing, etc. Pennies/carol.

We sing from many copies of this book each year. However, I wish there were a "senior" edition with bigger print (maybe enlarged pages?) that was pitched a little lower! It's fine when the accompanist can change the key on the fly or there's an electric piano, but it would be nice to have one to use with a real piano! We have used this book every year for the last several decades, and a new edition would be wonderful!

Exactly like the book I was issued by my high school choir in the late 1950's. Brings back wonderful memories. Great collection of familiar as well as many lesser known songs. I've enjoyed it for years and am happy to have a "like new" replacement.

For carolers this is the go-to book. It's small and easy to carry and has most of the traditional Christmas songs. We use it every year. One caveat, the 'used' ones are usually pretty dog-eared

and tend to fall apart, but it's not impossible to put them back together again. It's a gem.

I was pleased with both book selections and both were received in a timely manner. Both arrived well in protective mailers. Thank you.

This is the best collection we have found with all the classic Christmas carols we love (O Holy Night, What Child is This? O come Emanuel...) we take it caroling and our children practice the songs on piano during the Christmas season.

Happy to replace a very worn, well-used copy I have had for yeears

JUST AS ADVERTISED ... THANK YOU SO VERY MUCH , GREAT TO DO BUSINESS WITH YOU !!
