The Jesus Storybook Bible is, in my opinion, one of the best resources available to help both children and adults see the Jesus-centered story line of the Bible. Tullian Tchividjian, Senior Pastor of Coral Ridge Presbyterian Church -- PCA, Fort Lauderdale, FL.

What an amazing little book, the illustrations are wonderful, sweet and simple and beautifully done!

LOVE this author and this book. This is the same word-for-word text as the chapter in Jesus Storybook Bible, but my kids love this for all the extra pictures. They (5 and 2.5 years old) have memorized the entire book, which is basically scripture in simpler language. I love it and have bought it from friends with little kids, too. I also appreciate the sturdy board pages.

Well written promises to read and remember often. Children will love the lyrical flow, beautiful illustrations and peace-filled words. Lovely!

Beautiful board book

If you liked the Jesus Storybook Bible, you will love this book. Board book makes it great for little toddler hands. Our 2 year old loves it.

Such a sweet version of Psalm 23 for little ones. I bought this book for my little grandson, but I really enjoyed reading it myself.

Loved the colorful pictures and rich words of this board book. Gift to nephews 2-8. There was just something about the little lamb that drew them into the book

This is such a sweet and short book. I love the simplicity of it. Makes for a perfect short bedtime story. I definitely recommend all of Sally Lloyd-Jones' books!
