This is a good little book. Not really extensive in its descriptions and cures but it is well worth having around to check for what and how to use Tea Tree Oil. TEA TREE OIL has to be one of the most beneficial Oils around. It not only cures us of many ailments but it also prevents many ailments and diseases. It also is one of the Best insect repellents that is all Natural and basically non-toxic.

This is a really good guide to the many uses of TTO. The author gives clear instructions on how to dilute and mix with other natural products to obtain best results. The book includes lots of 'recipes'. Great value for money!
